

Non-GMO Statement

To Whom It May Concern,

On behalf of Sanmark Corp., I confirm that our evening primrose oil complies with Dir EC 1829 and 1830/2003, it is not derived from nor contains any genetically modified organism (GMO). We have established a company policy and procedures to ensure our facility free from genetically modified organism by prohibiting any GMO-containing raw materials and processing aids in the plant. Sanmark also does not apply any molecular biotechnology to our oil manufacturing process. Please feel free to contact me if you have any question regarding this declaration.

Sincerely,

Karen Chen

Quality Manager
